@0xpsycho22

17-year-old Self-Taught Cybersecurity Researcher · VAPT Specialist · Bug Bounty Hunter · CTF Team Captain

contrastX@proton.me · discord: 0xpsycho22 · alphas-22.web.app · alphax22.web.app

PROFILE

Self-taught cybersecurity enthusiast with a passion for breaking and securing systems. Specializing in Vulnerability Assessment & Penetration Testing (VAPT), web application security, and bug bounty hunting. Active CTF competitor leading team Null Existence in international events. Strong foundation in Linux environments, network protocols, and offensive security tooling.

TECHNICAL SKILLS

- Vulnerability Assessment & Penetration Testing
Intermediate
- Web Application Security
Intermediate
- Bug Bounty Hunting
Beginner
- Mobile App Security
Basic
- Linux Administration
Intermediate
- Network Protocols & Infrastructure
Intermediate
- Bash Scripting
Basic
- Python
Basic
- HTML / Web Technologies
Basic

SECURITY TOOLKIT

Burp Suite / OWASP ZAP Intermediate
Web App Interception & Scanning

Nmap / Rustscan Intermediate
Network Discovery & Port Scanning

Metasploit Framework Intermediate
Exploitation Framework

ffuf / Dirsearch Professional
Directory & Endpoint Fuzzing

SQLmap / Ghauri Intermediate
Automated SQL Injection Testing

Wireshark Basic
Network Traffic Analysis

CTF ACHIEVEMENTS

Competing as Team Captain of Null Existence in international CTF events. Focused on web exploitation, strategic problem solving, and team coordination.

Competition	Rank	Points
BITSCTF 2026	#282/863	400 pts
Batman's Kitchen	#87/526	5,257 pts
PICOCTF 2026	#282/863	3,350 pts
EHAX CTF 2026	#218/887	700 pts
UniVsThreats Quals	#121/565	306 pts

EDUCATION

Self-Taught

Cybersecurity Research
Continuous learning through hands-on practice, CTF competitions, and professional training platforms.

CERTIFICATIONS

Practical Help Desk

TCM Security
17 CEU Hours · ID: cert_g4wgn5yx

Linux 100: Fundamentals

TCM Security
2 CEU Hours · ID: cert_22fwfrr3

EHAX CTF 2026

Verified Participation
Team: Null Existence · ID: Rank #218

FOCUS AREAS

- Web Application Security
- Network Infrastructure Assessment
- OSINT & Reconnaissance
- Exploit Development
- CTF (Capture The Flag)
- Red Team Operations
- Security Writeups & Research

COMMUNICATION

- English — Fluent
- Urdu — Native

STATUS

Open to:

- Bug Bounty Collaborations
- CTF Sponsorships
- Security Research Roles
- Remote Internships
